

WARRIOR CHAMPION

Today, I have embarked on numerous journeys, traveling across many U.S. states, venturing halfway around the world to the vibrant city of Dubai in the UAE, and exploring the rich landscapes of Mexico and other beautiful Caribbean Islands. These experiences have not only broadened my horizons but have also fueled my passion as the Executive Director of Phoenix Rising Travel Services, Inc.™ — a 501(c)(3) nonprofit organization. Our mission is dedicated to educating, inspiring, and advocating for individuals with disabilities and those living with Sickle Cell Disease, encouraging them to discover the joys and transformative power of travel.

Through our organization, we strive to empower these communities by highlighting the possibilities of exploring different cultures, tasting diverse cuisines, and engaging in new experiences, all while managing their unique challenges. We believe that travel can significantly enhance one's quality of life, offering new perspectives, fostering personal growth, and creating cherished memories. By promoting accessible travel, we aim to show that no matter the obstacles, the world remains open to all who wish to experience it, bringing enrichment and joy to every journey.

You can also visit our [fundraising shop](#) where new items are added frequently, and all proceeds go to help fund accessible travel scholarships offering crucial human resources, services, and products. I would also like to take this opportunity to invite you on a [cultural trip](#) to [Ghana](#), Africa with me next year October 2025.
